

Isaac Ahuvia

Psychology B-341 | Stony Brook, NY 11794
(734) 709-0502 | isaac.ahuvia@stonybrook.edu

Education

Stony Brook University Ph.D. Candidate in Clinical Psychology Faculty Advisor: Jessica Schleider, Ph.D.	2020 – Present
Stony Brook University M.A. in Psychology	2020 – 2022
University of Michigan Bachelor of Arts in Sociology Thesis Advisors: Sarah Burgard, Ph.D., Sandra Levitsky, Ph.D.	2012 – 2016

Research Interests

Individual beliefs about mental health and illness; the relationship between these beliefs and clinically-relevant outcomes such as symptom severity, treatment expectations, and help-seeking behavior; the social construction of mental health and illness; scalable interventions for mental health problems.

Honors and Awards

Graduate Council Fellowship , Stony Brook University	2020 – 2025
Departmental Award for Excellence in Teaching , Stony Brook University Department of Psychology	2023
Hughes Fellowship in Cultural Psychiatry , Society for the Study of Psychiatry and Culture	2023
Departmental Honors , University of Michigan Department of Sociology	2016
Phi Beta Kappa , University of Michigan	2016
James B. Angell Scholar , University of Michigan	2015 – 2016
University Honors , University of Michigan	2013 – 2016

Research Funding

Graduate Research Grant , Psi Chi Principal Investigator. Total costs: \$1,500	2023 – 2024
John Neale Endowed Graduate Student Excellence Fund , Stony Brook University Principal Investigator. Total costs: \$1,500	2022 – 2023
Honors Thesis Research Grant , University of Michigan Principal Investigator. Total costs: \$400	2015 – 2016

Invited Talks

Stony Brook University Clinical Science Colloquium. “Two Studies of Self-Labeling: Depression in College Students and Autism in Adults.” February 21, 2024.

University of New Mexico Alcohol Use and Mental Health ECHO. “Brief Therapy Interventions and Resources for Depression.” November 15, 2022.

Academic Conferences

Plenary and Keynote Presentations

Ahuvia, I., Chen, S., Gordon, L., Fox, K., & Schleider, J. (2023, April). A Mixed-Methods Investigation of Adolescents’ Beliefs About the Causes of Depression. Hughes Fellowship plenary presentation given at the Society for the Study of Psychiatry and Culture Annual Conference, San Diego, CA.

Chaired Symposia and Panels

Ahuvia, I., & McKetta, S. (Chairs), Mirhashem, R., Jans, L., Chang, Y., Fan, K., & Price, M. (2023, November). The Role of Structural Stigma in Psychopathology Among Marginalized Youth. Symposium at the Association for Behavioral and Cognitive Therapies Annual Convention, Seattle, WA.

Symposium and Panel Presentations

Ahuvia, I., Schleider, J., Kneeland, E., Moser, J., & Schroder, H. (2024, April). Depression Self-Labeling in U.S. College Students: Associations with Perceived Control and Coping Strategies. Symposium presentation given at the Anxiety and Depression Association of America Annual Conference, Boston, MA.

Ahuvia, I., Fox, K., & Schleider, J. (2023, November). Adolescents’ Beliefs About What Symptoms Constitute Depression: Are More Expansive Definitions Helpful or Harmful? Symposium presentation given at the Association for Behavioral and Cognitive Therapies Annual Convention, Seattle, WA.

Ahuvia, I., Chen, S., Gordon, L., Fox, K., & Schleider, J. (2023, November). Adolescents' Beliefs About What Causes Depression: Implications for Clinical Psychoeducation. Symposium presentation given at the Association for Behavioral and Cognitive Therapies Annual Convention, Seattle, WA.

Fan, K., Dobias, M., **Ahuvia, I.**, Fox, K., & Schleider, J. (2023, November). Neighborhood Resources, Discrimination, and Treatment Access for Adolescents Engaging in Self-Injury. Symposium presentation given at the Association for Behavioral and Cognitive Therapies Annual Convention, Seattle, WA.

Mirhashem, R., Thorpe, D., **Ahuvia, I.**, Fox, K., & Schleider, J. (2023, November). How do Subjective Social Status and Objective Neighborhood Resources Relate to Adolescent Depression? Symposium presentation given at the Association for Behavioral and Cognitive Therapies Annual Convention, Seattle, WA.

Dobias, M., Roulston, C., Jans, L., **Ahuvia, I.**, & Schleider, J. (2023, November). Mixed Methods Analysis of Youth Mental Health Support Preferences. Symposium presentation given at the Association for Behavioral and Cognitive Therapies Annual Convention, Seattle, WA.

Ahuvia, I., & Schleider, J. (2022, May). The Relationship Between Depression Beliefs and Depression Symptom in Adolescents. Symposium presentation given at the Association for Psychological Science Annual Convention, Chicago, IL.

Ahuvia, I., & Schleider, J. (2022, March). Adolescents' Beliefs About the Causes and Permanency of Depression: An Exploratory Study. Symposium presentation given at the Anxiety and Depression Association of America Annual Conference, Denver, CO.

Individual Presentations

Bevans, K., **Ahuvia, I.**, Hallock, T., & Mendonca, R. (2019, October). Advancing the Science of Pediatric Health Measurement: A Multimethod Approach to Assessing Children's Self-Report Capacity. Presentation given at the International Society for Quality of Life Research Annual Conference, San Diego, CA.

Brief Presentations

*Smith, A., **Ahuvia, I.**, Ito, S., & Schleider, J. (2023, June). Acceptability and Impact of a Digital Single-Session Intervention for Adolescents with Elevated Body Image and Mood Concerns. Flash talk presentation given at the Society for Digital Mental Health Annual Meeting, Virtual.

*Smith, A., **Ahuvia, I.**, Ito, S., & Schleider, J. (2022, November). Project Body Neutrality: Piloting a Digital Single Session Intervention for Body Image and Depression. Ignite presentation at the Technology and Behavior Change SIG meeting, Association for Behavioral and Cognitive Therapies Annual Convention, New York, NY.

Poster Presentations

*Smith, A., **Ahuvia, I.**, Ito, S., Cohen, K., & Schleider, J. (2023, November). Adolescent Treatment Seekers' Perspectives on Body Positivity and Body Neutrality. Poster presented at the Association for Behavioral and Cognitive Therapies Annual Convention, Seattle, WA.

Gripshover, S., Yohannes, E., & **Ahuvia, I.** (2023, April). Enabling Conditions for the Continuous Improvement of Student Experience. Poster presented at the Carnegie Foundation Summit on Improvement in Education, San Diego, CA.

*Jans, L., **Ahuvia, I.**, Schleider, J. (2022, August). Associations Between Perceived Causal Agents and Prognostic Pessimism in Adolescent Depression. Poster presented at the Journal of Clinical Child and Adolescent Psychology (JCCAP) Future Directions Forum, Virtual.

Fan, K., Dobias, M., **Ahuvia, I.**, Fox, K., & Schleider, J. (2022, August). Neighborhood Resources, Identity-Based Discrimination, and Mental Health Treatment Access Among Adolescents Engaging in Self-Injury. Poster presented at the Journal of Clinical Child and Adolescent Psychology (JCCAP) Future Directions Forum, Virtual.

Ahuvia, I., Jans, L., & Schleider, J. (2021, November). Secondary Effects of Body Dissatisfaction Interventions on Adolescent Depressive Symptoms: A Meta-Analysis. Poster presented at the Association for Behavioral and Cognitive Therapies Annual Convention, New Orleans, LA.

Ahuvia, I., & Bevens, K. (2019, November). Consequences of Excluding Potentially Invalid PRO Response Data for Research with Adolescent ADHD Populations. Poster presented at the Association for Behavioral and Cognitive Therapies Annual Convention, Atlanta, GA.

Teaching

Teaching materials publicly available at <https://www.isaacahuvia.com/#teaching>

Stony Brook University

Stony Brook, NY

Instructor and Creator of Original Course

PSY 339: The Social Construction of Mental Illness (Undergraduate) Summer 2023

- 100% of students gave this class the highest possible rating on course evaluations

PSY 339: The Social Construction of Mental Illness (Undergraduate) Winter 2023

- 100% of students gave this class the highest possible rating on course evaluations

PSY 339: The Social Construction of Mental Illness (Undergraduate) Summer 2022

- 100% of students gave this class the highest possible rating on course evaluations

Instructor

PSY 301: Advanced Statistics (Undergraduate) Summer 2023

- 100% of students gave this class the highest possible rating on course evaluations
- Average improvement in statistics self-efficacy: 1.05 standard deviations (d_{av})

PSY 310: Research and Writing in Psychology (Undergraduate) Spring 2022

- 94% of students gave this class the highest possible rating on course evaluations

Guest Lecturer

PSY 505: Multivariate Statistical Methods (Graduate) Fall 2023

PSY 447: Professional Development: What You Can Do with Your Degree (Undergraduate) Fall 2023

PSY 382: Research Methods in Social Psychology (Undergraduate) Fall 2021

Creator of Instructional Materials

PSY 505: Multivariate Statistical Methods (Graduate) Fall 2023

Teaching Assistant

PSY 358: Neuroethology (Undergraduate) Spring 2024

PSY 505: Multivariate Statistical Methods (Graduate) Fall 2023

PSY 339: Schizophrenia Spectrum Disorders (Undergraduate) Spring 2023

PSY 382: Research Methods in Social Psychology (Undergraduate) Fall 2021

Additional Teaching Experience

Workshop on Statistical Programming in R Fall 2020

Mentorship

Center for the Improvement of Mentored Experiences in Research (CIMER) certified.

Current

- Abigail Houck, current post-baccalaureate research assistant at Stony Brook University 2024 – Present
- Support writing of first-authored paper
- Katie Zeng, current B.A. Student in Psychology at Stony Brook University 2023 – Present
- Support research design, implementation, and writing of undergraduate honors thesis
- Arielle Smith, current post-baccalaureate research coordinator at Stony Brook University 2022 – Present
- Support research design, implementation, and writing of multiple first-authored papers
 - Recipient of 2023 Best Trainee Poster Award, ABCT Eating Disorder and Eating Behavior SIG

Former

- Kelly Kwong, as B.A. Student in Psychology at Stony Brook University 2022 – 2023
- Support research design, implementation, and writing of undergraduate honors thesis
- Juno Pinder, as M.A. Student in Clinical Psychology at the Columbia University 2021 – 2022
- Supported research design, implementation, and writing of first-authored paper
- Laura Jans, as M.A. Student in Psychology at Stony Brook University 2021 – 2022
- Supported research design, implementation, and writing of first-authored poster

Professional Service

- Stony Brook University** Stony Brook, NY
- Member, Subcommittee on Mentoring Diverse Undergraduate Students 2023 – Present
- Graduate Student Representative, Psychology Department 2020 – 2021
- Coalition for the Advancement and Application of Psychological Science** National
- Member, Subcommittee on Diversity, Equity, and Inclusion in NIH-Funded Research 2023 – Present

Professional Affiliations

American Psychological Association (APA); Anxiety and Depression Association of America (ADAA); Association for Behavioral and Cognitive Therapies (ABCT); Association for Psychological Science (APS); Coalition for the Advancement and Application of Psychological Science (CAAPS); Society for the Study of Psychiatry and Culture (SSPC)

Editorial & Review Experience

Ad-Hoc Reviewer

- Journal of Clinical Child & Adolescent Psychology Since 2021
- Journal of Medical Internet Research Since 2021
- Journal of Adolescence Since 2022
- Journal of Adolescent Research Since 2022
- Research on Child and Adolescent Psychopathology Since 2022

Research Experience

- Stony Brook University** Stony Brook, NY
- Ph.D. Student, Lab for Scalable Mental Health August 2020 – Present
- Lead and contribute to a variety of research projects from conceptualization through publication
 - Create data processing pipelines (R) to facilitate rigorous, transparent research
- Research Assistant, World Trade Center Study June 2021 – September 2021
- Conducted survival analysis (R) for studies on health outcomes of World Trade Center first responders
- PERTS (Project for Education Research That Scales)** Remote
- Data Analyst October 2021 – Present
- Analyze data (R) to evaluate impacts of classroom- and school-level interventions on student outcomes
 - Communicate results to educators, providing clear steps they can take to improve their classrooms

- Create tools to process data (R) to enhance research team efficiency

Northwestern University Feinberg School of Medicine

Chicago, IL

Senior Research Coordinator, Developmental Mechanisms Lab

November 2018 – November 2019

- Coordinated recruitment, data collection, and finance for a large grant-funded project
- Contributed to manuscript and grant preparation across a variety of studies
- Managed a team of 14 research assistants

University of Chicago Poverty Lab

Chicago, IL

Research Analyst

November 2019 – July 2020

- Led analyses (R) for outcome evaluations of Chicago-area social service programs
- Assisted in the implementation of a large-scale universal basic income program (Stata)
- Prepared reports and presentations for principal investigators, partners, and funders

Senior Project Associate

December 2017 – November 2018

- Managed the implementation of outcome evaluations of Chicago-area social service programs
- Conducted analyses (R) for outcome evaluations of Chicago-area social service programs
- Managed research assistants in collecting data, conducting literature reviews, and other tasks

Project Associate

May 2016 – December 2017

- Assisted in the implementation of outcome evaluations of Chicago-area social service programs
- Conducted analyses (R) for outcome evaluations of Chicago-area social service programs

University of Michigan

Ann Arbor, MI

Honors Thesis, Department of Sociology

January 2015 – May 2016

- Conducted a qualitative study of issue framing among social movement organizations and legislators

Research Assistant, Department of Sociology

September 2015 – May 2016

- Examined the relationship between welfare receipt and credit using longitudinal survey data (Stata)

Research Assistant, Ross School of Business

May 2015 – August 2015

- Translated code for market share prediction models used by the Ford Motor Company (Stata, SAS)

Research Assistant, Institute for Social Research

October 2014 – May 2015

- Developed a database used to study and the achievement gap and study abroad participation (Stata)

Consulting Experience

American Psychological Association

Washington, DC

Consultant

October 2022 – December 2022

- Provided recommendations on how to evaluate the population mental health of children and adolescents

Northwestern University Feinberg School of Medicine

Chicago, IL

Consultant

April 2020 – August 2020

- Conducted analyses (R) for research articles on adolescent self-report validity

Clinical Experience

Stony Brook University Krasner Psychological Center

Stony Brook, NY

Individual Therapist (Adult)

August 2021 – Present

Supervisors: Joanne Davila, Ph.D., Dina Vivian, Ph.D.

- Provide evidence-based mental health treatment for adults of all ages
- Presenting problems include anxiety (GAD, OCD, phobia), chronic and acute depression, interpersonal conflict, chronic stress, and worry
- Develop and execute treatment plans integrating a variety of evidence-based therapies, including Cognitive-Behavioral Therapy (CBT), Exposure and Response Prevention (ERP), Behavioral Activation (BA), Cognitive Behavioral Analysis System of Psychotherapy (CBASP), and more
- Flexibly utilize a variety of cognitive-behavioral techniques as necessary for the client, including exposure and response prevention, cognitive restructuring, situational analysis, and mindfulness exercises

- Conduct rigorous intake interviews and ongoing outcome monitoring using structured and semi-structured tools to assess goals, motivation, and symptomatology
- Administer thorough safety and risk assessment (e.g., suicidality)
- Attend weekly supervision with licensed clinical psychologist, presenting case conceptualizations, treatment updates, and session tape review
- Document sessions weekly and manage billing for each client

Individual Therapist (Child)

August 2021 – Present

Supervisors: Jessica Schleider, Ph.D., Daniel O’Leary, Ph.D.

- Provide evidence-based mental health treatment for children, adolescents, and their parents
- Presenting problems include anxiety, depression, disruptive behavior, and oppositionality
- Develop and execute treatment plans integrating a variety of evidence-based therapies, including Cognitive-Behavioral Therapy (CBT), Exposure and Response Prevention (ERP), Parent Management Training (PMT), the “Being Brave” program, and more
- Provide services directly to children (e.g., child-directed CBT), to their parents (e.g., PMT), and to both (e.g., “Being Brave” program) as indicated
- Conduct rigorous intake interviews and ongoing outcome monitoring using child- and parent-reported tools to assess goals, motivation, family functioning, and symptomatology
- Administer thorough safety and risk assessment (e.g., suicidality, child abuse)
- Attend weekly supervision with licensed clinical psychologist, presenting case conceptualizations, treatment updates, and session tape review
- Document sessions weekly and manage billing for each client

Couples Therapist

August 2021 – Present

Supervisors: Daniel O’Leary, Ph.D., Dina Vivian, Ph.D.

- Provide evidence-based mental health treatment for couples
- Presenting problems include relationship dissatisfaction, interpersonal conflict, communication problems, lack of trust and intimacy, and infidelity
- Develop and execute treatment plans integrating cognitive, behavioral, emotion-based, and Integrated Behavioral Couples Therapy (IBCT) techniques
- Flexibly utilize techniques including communication training, problem-solving, behavioral activation, and emotion-based strategies fit to the needs of each couple
- Focus on modifying interactions via in-session learning, top-down cognitive processes, and behavioral interventions
- Conduct rigorous intake interviews and ongoing outcome monitoring using structured and semi-structured tools to assess goals, motivation, and interpersonal functioning
- Administer thorough safety and risk assessment (e.g., suicidality, intimate partner violence)
- Attend weekly supervision with licensed clinical psychologist, presenting case conceptualizations, treatment updates, and session tape review
- Document sessions weekly and manage billing for each client

Clinical Assessor (Adult & Child)

August 2021 – Present

Supervisors: Brady Nelson, Ph.D., Dina Vivian, Ph.D.

- Conduct rigorous psychological and psychoeducational assessment for children and adults
- Referral questions include cognitive and intellectual functioning, academic performance, and psychopathology
- Develop and execute assessment plans integrating evidence-based measures of intellectual ability, academic achievement, and psychopathology
- Administer validated tests assessing intellectual ability (e.g., WAIS, WISC), academic achievement (e.g., WJ), and psychopathology (e.g., MINI, SCID, IDAS-II, CAT-PD)
- Write thorough evaluation reports including client background, assessment methods, results, diagnostic conclusions, and recommendations
- Deliver evaluation reports and respond to client questions and concerns in feedback sessions

Single Session Support (S3) Center at Stony Brook University Hospital

Consultation Provider

Stony Brook, NY

March 2023 – Present

Supervisor: Jessica Schleider, Ph.D.

- Provide brief solution-focused therapy to healthcare workers and trainees
- Implement novel, evidence-based single-session consultation (Sung, J. Y., Bugatti, M., Vivian, D., & Schleider, J. L. (2023). Evaluating a telehealth single-session consultation service for clients on psychotherapy wait-lists. *Practice innovations*.)

National Runaway Safeline

Chicago, IL

Crisis Counselor

April 2018 – March 2020

- Provided crisis intervention via phone and chat to hundreds of youths and adults of diverse backgrounds
- Presenting problems included depression, anxiety, suicidality, trauma, and ongoing abuse
- Utilized brief supportive and problem-solving techniques to help youth in acute crisis
- Facilitated the return of runaway youth to their homes using family-based problem-solving techniques
- Administer thorough safety and risk assessment (e.g., suicidality, child abuse)
